Key Insights & Recommendations

KEY INSIGHTS

- Technology and Office Supplies earn 93% of profit.
- Furniture sells $742K but earns only a 2.5% margin.
- Discounts above 20% lost about $135K, nearly half of total profit.
- Central's margin is 7.9% against 14.9% in the West.
- Tables, Bookcases and Supplies are loss-making.
- Sales peak from September to December.

RECOMMENDATIONS

- Cap discounts at 20%, with approval needed above it.
- Reprice Furniture, especially Tables.
- Tighten discounting in Texas, Ohio, Pennsylvania and Illinois.
- Promote Copiers, Paper and Accessories, and grow the West and East.
- Plan stock for the Q4 peak.
